"It was fabulous. Snuffles played around in the designated play area in the hotel, which I must say is quite huge! It was lovely to sit in the pet lawn and see her running and frolicking around us. It was a joy to see other pets as well. Snuffles would roam around the pet friendly block, resort rooms, pooping area and the designated pet friendly area in the restaurant. The hotel staff are really pet friendly. They seem to be well trained to handle pets and almost foresaw all our needs," comments Ritu. She says she would repeat the experience again and motivate every pet parent to travel with their pets.

Divya frequently travels with her two furry travellers—Marco Polo and Tigress. "Over the last two years we have been travelling to many places. My doggies always enjoy and love travelling with me. Even we once went on a train trip of the Indian Railways. After all, Lemon Tree Hotel at Tarudhan Valley is unique among other pet friendly resorts. The hotel is well-equipped to host furry guests. Everyone among the hotel staff is pet-friendly," she remarks.
