

A festive Christmas scene featuring a decorated tree, stockings, and gifts. The background is a warm, dimly lit room with a brick fireplace. On the left, a large Christmas tree is decorated with red and gold ornaments and lights. In the center, a window is covered with white curtains. To the right, a brick fireplace is decorated with a garland of small evergreen trees and two red stockings hanging from the mantel. In front of the fireplace, there are several wrapped gifts in red and gold paper. The overall atmosphere is cozy and celebratory.

EDITOR'S NOTE

A Look Back at the Year Gone By:

As we reflect on the past year, we are excited to highlight the key milestones we've achieved, especially the properties we launched. This year has been significant for our foray into a new international destination. We have expanded our footprint into Nepal, bringing our vision to life in new markets.

We also celebrated another major milestone — our first hotel in Udyog Vihar turned 20. Two decades of exceptional hospitality have also seen us grow to a robust portfolio of 110+ hotels. And the journey continues to evolve with every new opportunity.

As we look ahead, these new additions lay a strong foundation for even greater success in the years to come.

We're excited to announce our new signings in Varanasi and Mussoorie.
