Upon finalization of the basis of acceptance as per the SEBI Buyback Regulations:

(a) The settlement of trades shall be carried out in the manner as detailed in the following paragraphs, which is similar to settlement of trades in the secondary market

(b) The Company will pay consideration to the Company's Broker who will transfer the consideration pertaining to the Buyback to the Clearing Corporation's bank account as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Eligible Shareholders will receive funds pay-out in their bank account from the Clearing Corporation. If such Eligible Shareholder's bank account details are not available or if the funds transfer instruction is rejected by the RBI/ relevant banks, due to any reasons, then the amount payable to the Eligible Shareholder will be transferred to the Shareholder Broker's settlement account for onward transfer to such Eligible Shareholders.

(c) The Demat Shares bought back would be transferred directly to the demat account of the Company opened for the Buyback (the "Company Demat Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Company Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of NSE.

(d) The Eligible Shareholders of the Demat Shares will have to ensure that they keep the depository participant ("DP") account active and unblocked to receive credit in case of return of Demat Shares, due to rejection or due to non-acceptance of Demat Shares in the Buyback. (e) Excess Demat Shares or unaccepted Demat Shares, if any, tendered by the Eligible Shareholder would be

returned to them by the Clearing Corporation directly to the respective Eligible Shareholder's DP account. Broker's settlement accounts for releasing the same to such shareholder's account. (g) The Shareholder Broker would issue contract note to the Eligible Shareholders tendering Equity Shares in the Buyback. (h) Eligible Shareholders who intend to participate in the Buyback should consult their respective Shareholder Broker for details of any cost, applicable taxes, charges and expenses (including brokerage) etc., that may be levied by the Shareholder Broker upon the Eligible Shareholders for tendering their Equity Shares in the Buyback (secondary market transaction). The Buyback consideration, received by the Eligible Shareholders who have tendered Equity Shares in the Buyback, in respect of accepted Equity Shares, could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the Eligible Shareholders.

The Equity Shares lying to the credit of the Company Demat Account will be extinguished in the manner and following the procedure prescribed in the SEBI Buyback Regulations.

RECORD DATE AND SHAREHOLDER ENTITLEMENT

11.1 As required under the SEBI Buyback Regulations, the Company has fixed, Monday, July 29, 2019 as the Record Date for the purpose of determining the entitlement and the names of the Eligible Shareholders of the Equity Shares, who will be eligible to participate in the Buyback.

11.2 In due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer")

along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the 11.3 The Equity Shares proposed to be bought back by the Company, as part of the Buyback is divided into two

(a) reserved category for Small Shareholders (defined under Regulation 2(i)(n) of the SEBI Buyback Regulations as a shareholder, who holds shares or other specified securities whose market value, on the basis of closing price on the recognized stock exchange registering the highest trading volume, as on Record Date, is not more than ₹ 2,00,000 (Rupees Two Lakh only)); and

(b) the general category for all other shareholders, and the entitlement of a shareholder in each category shall be calculated accordingly.

11.4 In terms of Regulation 6 of the SEBI Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to buyback or number of Equity Shares entitled as per the shareholding of Small Shareholders, whichever is higher, shall be reserved for the Small Shareholders as part of this Buyback.

11.5 Based on the shareholding as on the Record Date, the Company will determine the entitlement of each Eligible Shareholder to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective Eligible Shareholder as on the Record Date and the ratio of Buyback applicable in the category to which such Eligible Shareholder belongs. The final number of Equity Shares which the Company will purchase from the Eligible Shareholders will be based on the Equity Shares tendered. Accordingly, in the event of the overall response to the tender offer being in excess of the Buyback Offer Size, the Company may not purchase all the Equity Shares tendered by the Eligible Shareholders, over and above their entitlement.

11.6 After accepting the Equity Shares tendered on the basis of entitlement, Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by the Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.

11.7 In order to ensure that the same Eligible Shareholders with multiple demat accounts/folios do not receive a higher entitlement under the Small Shareholder category, the Company proposes to club together the Equity Shares held by such Eligible Shareholders with a common permanent account number ("PAN") for determining the category (Small Shareholder or General) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity Shares held in cases where the sequence of the PANs of the joint shareholders is identical and where the PANs of all joint shareholders are not available, the Company will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the name of joint shareholders are identical. In case of Eligible Shareholders holding physical shares, where the sequence of PANs is identical and where the PANs of all joint shareholders are not available, the Registrar to the Buyback will check the sequence of the names of the joint holders and club together the Equity Shares held in such cases where the sequence of the PANs and name of joint shareholders are identical. The shareholding of institutional investors like mutual funds, pension funds/trusts and insurance companies etc., with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the Registrar to the Buyback (defined below) as per the shareholder records received from the

11.8 The Eligible Shareholders participation in the Buyback is voluntary. The Eligible Shareholders can choose to participate, in full or in part, and get cash in lieu of Equity Shares to be accepted under the Buyback or they may choose not to participate and enjoy a resultant increase in their percentage shareholding, post Buyback, without additional investment. The Eligible Shareholders may also tender a part of their entitlement. The Eligible Shareholders also have the option of tendering additional Equity Shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any.

11.9 The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. If the Buyback entitlement for any Eligible Shareholder is not a round number (i.e., not a multiple of one Equity Share), then the fractional entitlement shall be ignored for computation of entitlement to tender Equity Shares in the Buyback. On account of ignoring the fractional entitlement, those Small Shareholders whose entitlement would be zero Equity Shares as on Record Date, will be dispatched a Tender Form with zero entitlement. Such Small Shareholders are entitled to tender additional Equity Shares as part of the Buyback Offer and will be given preference in the acceptance of one Equity Share, if such Small Shareholders have tendered for additional Equity Shares.

11.10 The Equity Shares tendered as per the entitlement by Eligible Shareholders as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in SEBI Buyback Regulations.

11.11 Detailed instructions for participation in the Buyback (tendering of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer which will be sent in due course to the Eligible shareholders.
