India's Lemon Tree Hotel Company that currently operates 26 hotels in 15 cities, aims to add a sizable 900-rooms inventory to the Mumbai hospitality market over the next three and a half years. The first to open will be a 300-keys property in Andheri within the next two years, followed by a 600-keys Lemon Tree Premier project in the vicinity of Chhatrapati Shivaji International Airport. Plans are also underway to build a 100,000 sq feet commercial space and meeting space of approximately 60,000 sq feet as part of this second project, slated to open by 2018. Once completed, these projects will make The Lemon Tree Hotel Company one of the biggest hotel operators in India's financial capital. The company which is currently re-strategizing its expansion plans across the country, has several other upcoming projects in the pipeline in locations such as Udaipur, Kolkata, Gurgaon, Pune, Shimla, Baroda and Coimbatore.
