RED FOX HOTEL DEBUTS IN DEHRADUN

Lemon Tree Hotels recently announced the opening of Red Fox Hotel, Dehradun — its second hotel in the city, and the third one in Uttarakhand.

Speaking on the occasion, Vikramjit Singh, President, Lemon Tree Hotels Limited said, "Dehradun is an important leisure and business destination. It attracts travellers throughout the year. The ever-increasing demand for competitively priced hotel rooms and Lemon Tree Hotel's successful run within the city has encouraged us to bring in this brand. We are pleased to introduce our second hotel in the city."

Red Fox Hotel, Dehradun is strategically located on Rajpur Road, adjacent to the Survey of India. It is in close proximity to key corporate offices, shopping hubs, as well as popular tourist spots across the city, such as Sahastradhara (or a thousand-fold spring), Robber's Cave, as well as the Tapkeshwar and the Buddha Temples.

On offer at this hotel are 91 crisp and clean rooms, a multi-cuisine coffee shop — Clever Fox Café, as well as a well-equipped fitness centre to keep you as agile as a fox. The hotel also has a specially designed suite for its differently abled guests.

The 5400 sq-ft of modern banquet spaces, including a conference room, add an extra zing to the business needs and special events of guests, by seamlessly transforming into an impactful destination for residential conferences, weddings, office retreats and social events.

The hotel offers a convenient stay option for both business and leisure travellers. Located approximately 7.5kms from the railway station and 32kms from the Jolly Grant Airport, it offers an easy access to the snow-capped mountains of Mussoorie (at a 45-minutes-drive). Also, the holy cities of Haridwar and Rishikesh are just a two-hours-drive from the hotel.

Envisioned to be in-line with the quintessential spirit of the Red Fox, this hotel boasts fresh bold interiors and promises to be just as sharp and lively as its other 10 Red Fox hotels pan-India.

Lemon Tree Hotels currently operates two more hotels in Uttarakhand — Lemon Tree Hotel, Dehradun and Lemon Tree Premier, Corbett. It plans to open four additional hotels in other key cities such as Rishikesh, Mussoorie and Neelkanth by FY 2021.
