**Bangalore:** Whitefield now has a new luxury hotel for visitors to stay in as the Lemon Tree hotel group announced the formal opening of their renovated property in the EPIP zone. The hotel will have 130 rooms spread out over five floors with two floors reserved for deluxe rooms, a statement said.

The Lemon Tree group now operates three hotels in the city with one located in Ulsoor and the other in

Electronic City.

The hotel was previously the Clarion Hotel which was acquired by a joint venture between the Lemon Tree Group and Dutch pension fund manager APG before being rebranded and relaunched.

The hotel will also have a multi cuisine restaurant Citrus Cafe as well as a lounge and recreation bar. Rooms are equipped with WiFi, TV, mini bars as well as working desks with soundproofing and blackout curtains.

The hotel also has special amenities for single lady guests along with upgraded security. Rooms designed for differently-abled guests are also available.

"The Lemon Tree Hotel, Whitefield offers a great stay option at an unbeatable value to guests visiting the companies situated in its vicinity," said Rattan Keswani, Deputy Managing Director.

The hotel is located at 23 EPIP Zone, Whitefield.
