VIVE LA DIFFÉRENCE

Twin hotels **Lemon Tree** and **Red Fox** opened in Sector 60, Gurugram, not far from the business hub. Both are designed on the principles of 'universal design', with rooms suitable for people of all abilities, offering support such as a low hairdryer for a wheelchair-bound guest, or a larger shower stall. Uniquely, 70 per cent of the staff is differently abled. Red Fox has quirky fox-themed décor, reminiscent of Quentin Blake's classic illustrations. From ₹3,500; +91-9911701701, lemontreehotels.com
