BTI'S SPA PICK

Tel Aviv to host 2020 Global Wellness Summit

SPA AND WELLNESS industry leaders from over 50 countries will meet in Tel Aviv, Israel for the annual 2020 Global Wellness Summit (GWS). The conference will be held from November 10–13, 2020. Expressing views on Israel being chosen for GWS, Amir Alroy, co-founder of Welltech1, a new Tel Aviv-based wellness innovation hub and microfund said, "The GWS will not only put Israel's creative health and wellness solutions on the world stage, it will introduce Israel's powerful investment landscape to global wellness companies." The focus will be on technological advances in the field of health and wellness from a global perspective. A tech innovation pavilion will be set up where delegates can interact with most cutting-edge wellness start-ups.

The platform will also let guests experience different cultures and indigenous health practices. globalwellnesssummit.com

IF YOU FANCY a luxurious spa time in the French capital, then Spa Diane Barriere at Hotel Barriere Le Fouquet's Paris is an ideal pick. Immerse yourself in a tranquil setting accentuated by Kos Paris expertise and high-end amenities.

Take a dip into the private swimming pool under the Champs Élysées or try the aquatic course which is a combination of waterfalls, jets and walks against the current. Release toxins in the dry heat of the sauna or in the hammam at the spa.

For a more relaxing time, there is a special recreational area with lounge chairs by the fireplace. hotelsbarriere.com

ESCAPE TO PEACE

WELL-KNOWN BUDDHIST spiritual master and scholar Geshe YongDong is carrying out inner peace and tranquility sessions at Amanara (February 18-22) in Caico in the Caribbean. The programme involves Tsa Lung breathwork (a Tibetan breathing technique) and meditation, as well as two individual 90-minute sessions with Geshe YongDong, a therapeutic spa treatment and a 60-minute evening session of chanting, mantra recitation and meditation. aman.com

HYDRO-WELLNESS RETREAT IN DOHA

AL MESSILA, A LUXURY COLLECTION RESORT AND SPA in Doha has announced the addition of four hydro wellness 'Worlds' – Oriental, Mystic, Mineral and Floral at its female-only spa.

These new recreational spots are packed with flotation tanks, cocoon beds, oxygen rooms, Kneipp walks (a treatment based on hydrotherapy, during which one is subjected to alternating immersions in hot and cold water), hammams, salt rooms, and a sophisticated range of exclusive treatment products and protocols.

There are 26 treatment rooms and advanced hydro-thermal facilities available here. marriott.com
