Aurika Udaipur

Sitting atop its own hill, the majestic Aurika, Udaipur is spread across 5 acres of undulating hilltop. As you arrive through the Bastion Gate, aptly titled Antara (meaning "to pause"), you can stop and breathe in the enchanting air that surrounds the resort. You are drawn into a different world, a world of royalty and opulence, a world where you can reimagine palace intrigue and medieval romance. While walking through the resort, with its grand courtyards, terraced gardens, and richly gilded interiors, you will feel like you have stepped back a few centuries in time.

At the resort's entrance, the first block has Mirasa – the all-day dining restaurant, Ariva – the bar, and extensive banquet facilities including the ballroom and adjacent terrace, the boardroom and multiple outdoor terraces. Recreational facilities include Araya – the spa, the fitness center, the outdoor swimming pool, The Library and the Rumpus Room.

While driving up to your room in the higher blocks in our golf carts, you will cross Survani, where traditional musicians will enthrall you with melodious musings.

The 139 aesthetically designed rooms and suites offer unparalleled views of the stunning hills, valleys and lakes of this picturesque city.
