Oceanographic Laboratory, Goa, Ministry of Defence DRDO, Kochi. The value of the said project is worth Rs 491 crore and is expected to be completed within 36 months from signing the contract.

Reliance Industries:

●Reliance New Energy Limited (RNEL), a wholly-owned subsidiary of the company which presently holds 92.01% stake in Faradion Ltd (Faradion) has on 28th October 2024 acquired the balance equity stake from the existing shareholders of Faradion. With this acquisition, Faradion has now become a wholly-owned subsidiary of RNEL. This move further solidifies RNEL's position in the energy sector and demonstrates Reliance Industries' commitment to investing in innovative technologies.

Shriram Properties:

●Shriram Properties Ltd (SPL), has signed a Joint Development Agreement for a 6-acres prime land, nestled in the upcoming micro markets of Undri in Pune. The company is embarking on mixed-use development, comprising 650+ apartments and some retail/commercial spaces with an aggregate saleable area of over 1.0 msf, to be developed over the next 4 years. The project has aggregate revenue potential of approx. Rs 700 - 750 crore. The company is targeting to launch this project during H2FY25. Shriram Properties CMD Murali Malayappan said, "This investment is consistent with our asset light strategy for accelerated growth. Pune is a promising market, and we see significant potential for large, established brands like Shriram." SPL is one of South India's leading residential real estate development companies, primarily focused on the mid-market and affordable housing categories.
