**1<sup>st</sup> October, 2025:** Lemon Tree Hotels Limited announces the rebranding of its Hotel at Aerocity, New Delhi from "Red Fox by Lemon Tree Hotels", Delhi Airport, to "**Lemon Tree Hotel**", **Delhi Airport**.

This owned hotel, which opened in December 2013 — as a budget option — is now available after renovation with several new facilities to enhance guest experience. These include 207 well-appointed and newly refurbished rooms and suites, Citrus Café — a multi-cuisine coffee shop; a refreshing swimming pool and a fully equipped fitness center. Upgrades have also been made in the public areas, including the lobby and the reception, to create a pleasant first impression upon the guest.

Delhi, the vibrant capital of India, is a dynamic blend of rich history and modern culture. From ancient monuments and bustling bazaars to world-class shopping malls and fine dining, the city offers a diverse and immersive experience. Nestled within this urban landscape is Aerocity — a contemporary commercial and hospitality hub strategically located near Indira Gandhi International Airport. Designed for seamless connectivity and convenience, Aerocity is home to corporate offices, upscale retail, and dining destinations, making it a preferred choice for both business and leisure travellers seeking a cosmopolitan yet comfortable stay.

Commenting on the transformation of the hotel, Mr. Vishvapreet Singh Cheema, President, Lemon Tree Hotels, commented, "The rebranding of the hotel seamlessly aligns with the current market demand for an enhanced hospitality offering.
