

LEMON TREE HOTELS SIGNS LEMON TREE HOTEL, JANAKPUR IN NEPAL

Takes the group's Nepal portfolio to 8 properties; marks its entry into one of South Asia's most revered pilgrimage and heritage destinations

New Delhi, 22nd June, 2026: Lemon Tree Hotels Limited, one of India's leading hospitality Company, announces the signing of **Lemon Tree Hotel, Janakpur in Nepal**. The property will be managed by Carnation Hotels Private Limited, a wholly owned subsidiary of Lemon Tree Hotels Limited, further extending the group's managed international footprint.

With this signing, the group's overall international portfolio grows to 11 properties - comprising 6 operational hotels and 5 upcoming properties across Nepal, Bhutan and Dubai. In Nepal specifically, this takes the group's presence to 8 properties, with 3 operational hotels and 5 in pipeline, including the current signing. The group also operates 2 hotels in Bhutan and 1 in Dubai, reflecting a steadily deepening commitment to quality hospitality across key South Asian and international markets.

Janakpurdham stands apart as one of the most spiritually significant cities in South Asia – the birthplace of Goddess Sita, the sacred site of her divine marriage to Lord Ram, and the ancient capital of the Mithila Kingdom. The city draws millions of pilgrims and heritage travellers from across Nepal and India, particularly during landmark festivals such as Vivah Panchami and Ram Navami, making it one of the subcontinent's most consistently visited destinations of faith.

The hotel will feature 85 well-appointed rooms, a restaurant, banquet hall, meeting/conference room, bar lounge, swimming pool, spa, and a fitness centre - bringing a full-service, branded hospitality experience to a destination that draws visitors in both faith and leisure.

Commenting on the signing, **Mr. Vishvapreet Singh Cheema, President, Lemon Tree Hotels Ltd.**, said: "Janakpur is one of South Asia's most revered destinations as it holds immense spiritual significance across the subcontinent, and its growing connectivity is driving a major surge in heritage travel. Signing Lemon Tree Hotel, Janakpur aligns strongly with our strategy of building quality hospitality infrastructure in culturally significant, high-potential markets. This addition expands our portfolio in Nepal to eight properties, allowing us to deliver our signature refreshing hospitality and further solidifying our position as a trusted brand in the region."

The hotel is located at Dhanusha District, Janakpurdham Sub-Metropolitan City, Nepal, placing it in close proximity to the city's principal pilgrimage sites, including the iconic Janaki Temple, Ram Mandir, Vivah Mandap and the sacred Dhanush Sagar and Ganga Sagar ponds. The property will offer guests a comfortable and well-connected base from which to explore the full spiritual and cultural landscape of Mithila.

This signing reinforces Lemon Tree Hotels' international expansion strategy and its commitment to identifying markets where branded hospitality can make a meaningful difference - building a sustainable presence across South Asia's most culturally and spiritually significant destinations.
